

### Student Transportation Information

All students who reside outside of the walking boundaries (greater than 1.5 miles from school) are assigned District 301 transportation to/from school using their home location to designate the bus assignment.

Please complete this form ONLY if you require busing to/from an alternate location within your attending school's boundaries, if you do not require 301 transportation, or if you are making a change to your child's transportation. Students are allowed only one inbound bus and only one outbound bus. (Accommodations cannot be made for different buses on different days.) Please allow up to 48 hours to process any changes to your student's transportation. To verify the request has been processed, please visit the Bus Information link located at [www.burlington.k12.il.us](http://www.burlington.k12.il.us).
