Once logged into Skyward, you should see online registration information in the center of the screen.

If you are completing online registration prior to our “roll-over” in July, your student’s 2017-2018 grade and school will be reflected throughout the 2018-2019 online registration. This information will be automatically changed during our roll-over process.

If you have multiple students in the district, you will see online registration for each student. Click on Go to Online Registration for the student you would like to register first.

Once in the Online Registration page, please note any District Messages that may be posted.

Click on Student Information on the right-hand side.

Check the Military Connected box if the student is connected to a CURRENT active duty military parent/guardian.

Please note that phone numbers for guardians will be entered on another step. Phone numbers on this page are for student phone numbers.
