

**NEXT STEPS** is a parent training and resource network focused on planning for a student's successful transition from school to adult life.

Do you know your child's goals for adulthood? Are you aware of the types of services available to your child once he/she completes their school career?

Our **FREE** workshops provide families specific information to help a young person transition from school to adult life in the community. These sessions give you the information you will need to help plan your child's future. Register today!

## ***Spring 2020 Workshop***

**Registration must be completed for each workshop you plan to attend.**
